

6E Rewards Redemption steps

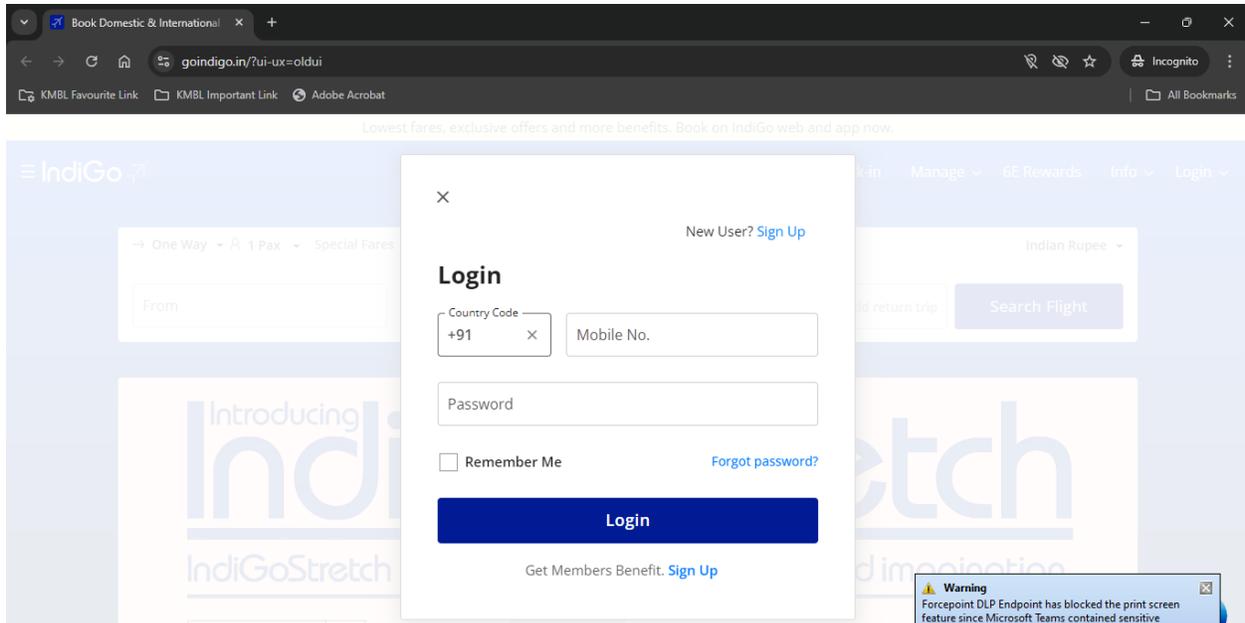

1. Head to www.goindigo.in. You will find a banner at top "To use Voucher, Credit shell & 6E Rewards, [Click here](#)". Click on the link and you will be taken to an alternate IndiGo homepage that's supports 6E Rewards.

2. In this site, click on Login on the top right corner

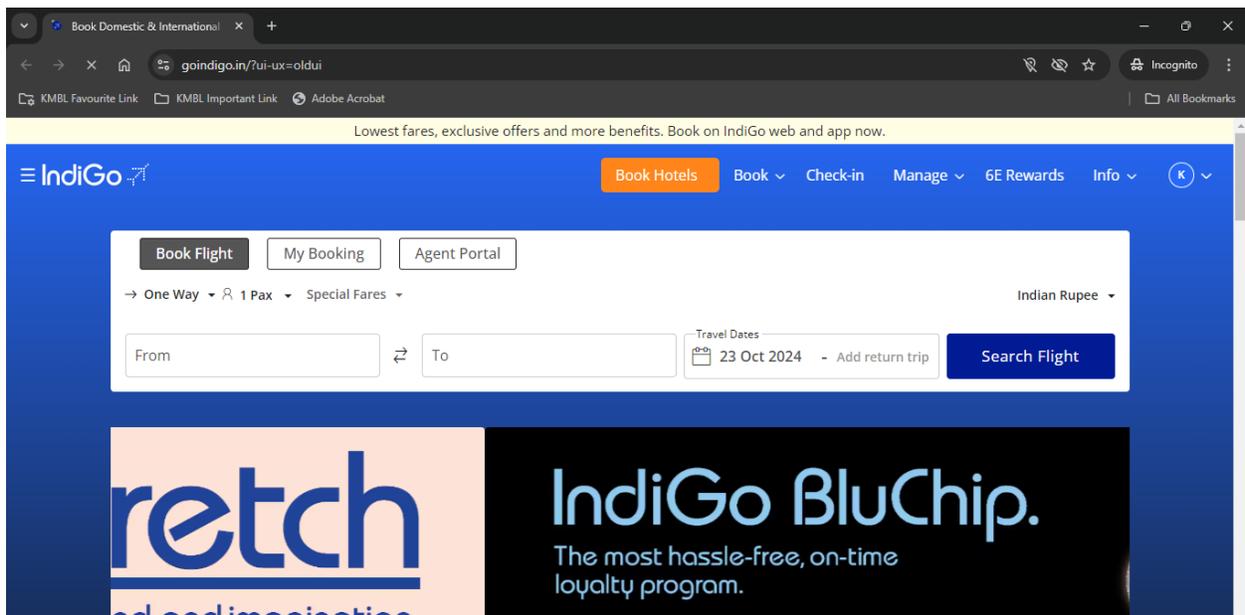

3. Enter you IndiGo login details – mobile number and password

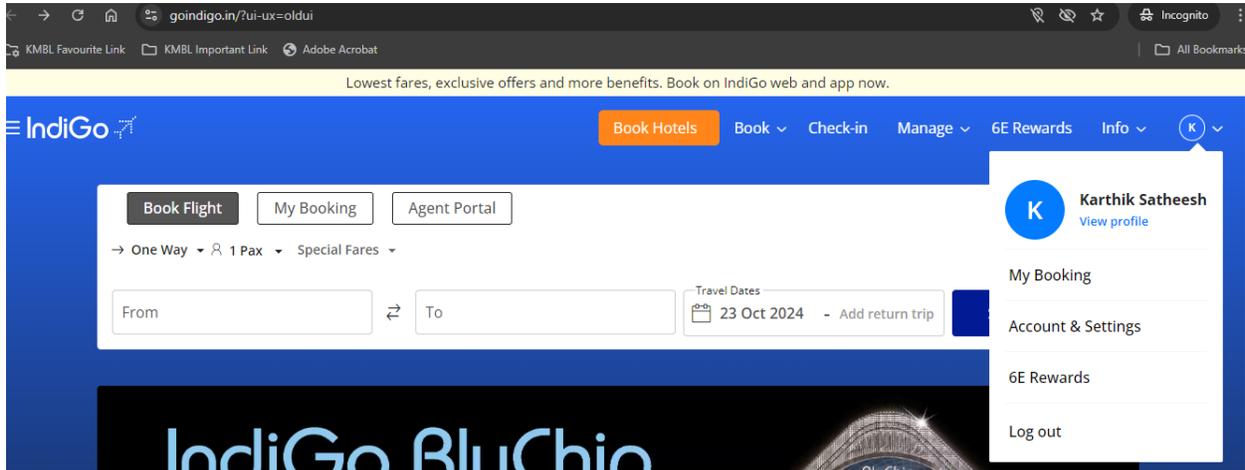

The screenshot shows the IndiGo website's login modal. The modal is titled "Login" and includes a "New User? Sign Up" link. The form fields are: "Country Code" (set to +91), "Mobile No.", "Password", and "Remember Me" (unchecked). There is a "Forgot password?" link and a blue "Login" button. Below the button, it says "Get Members Benefit. Sign Up". A warning message at the bottom right states: "Warning: Forcepoint DLP Endpoint has blocked the print screen feature since Microsoft Teams contained sensitive".

4. Once you are in, you would see your Initials in a bubble on the top right. Click on it.

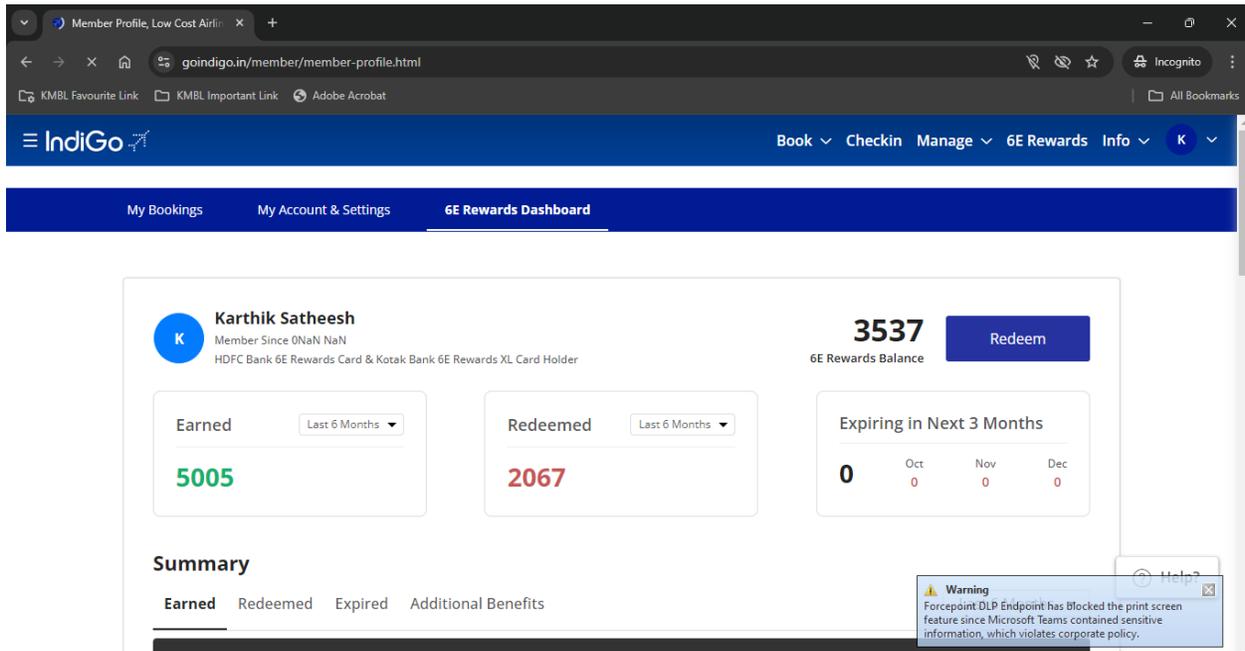

The screenshot shows the IndiGo homepage after a successful login. The user's initials "K" are displayed in a blue bubble on the top right of the navigation bar. The main navigation includes "Book Hotels", "Book", "Check-in", "Manage", "6E Rewards", and "Info". Below the navigation, there are buttons for "Book Flight", "My Booking", and "Agent Portal". The flight search section includes "One Way", "1 Pax", "Special Fares", "From", "To", "Travel Dates" (23 Oct 2024), "Add return trip", and a "Search Flight" button. The bottom of the page features a "retch" logo and an "IndiGo BluChip" advertisement with the tagline "The most hassle-free, on-time loyalty program."

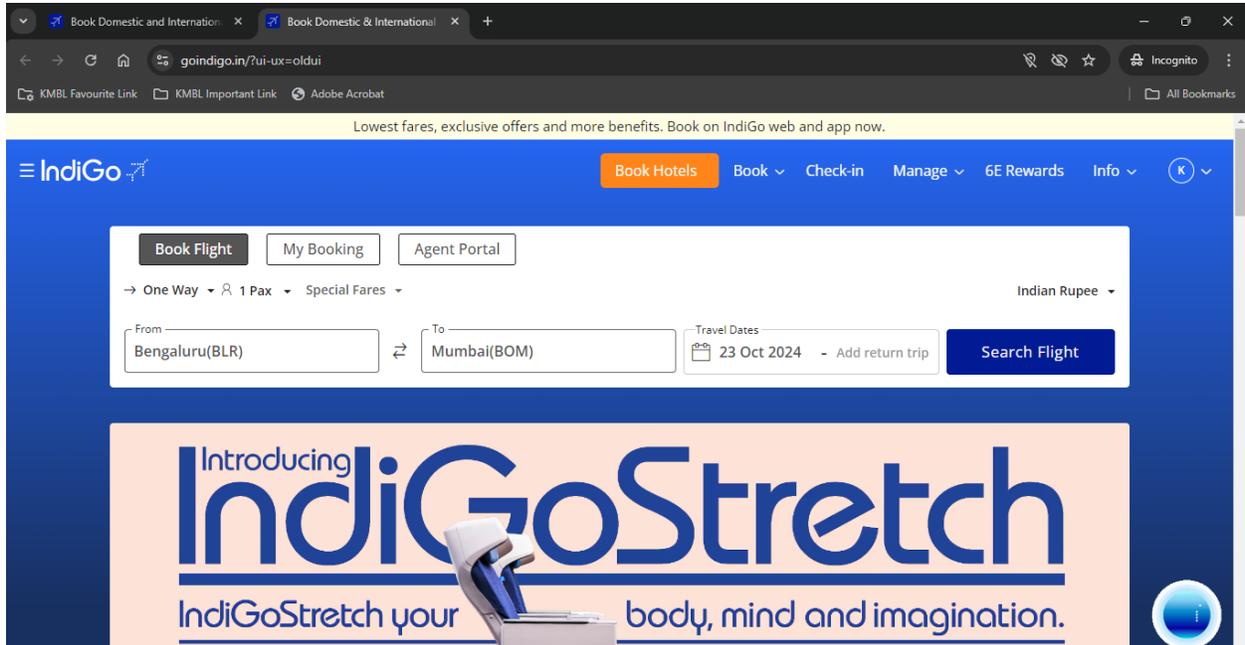

5. in the dropdown, click on "View Profile"

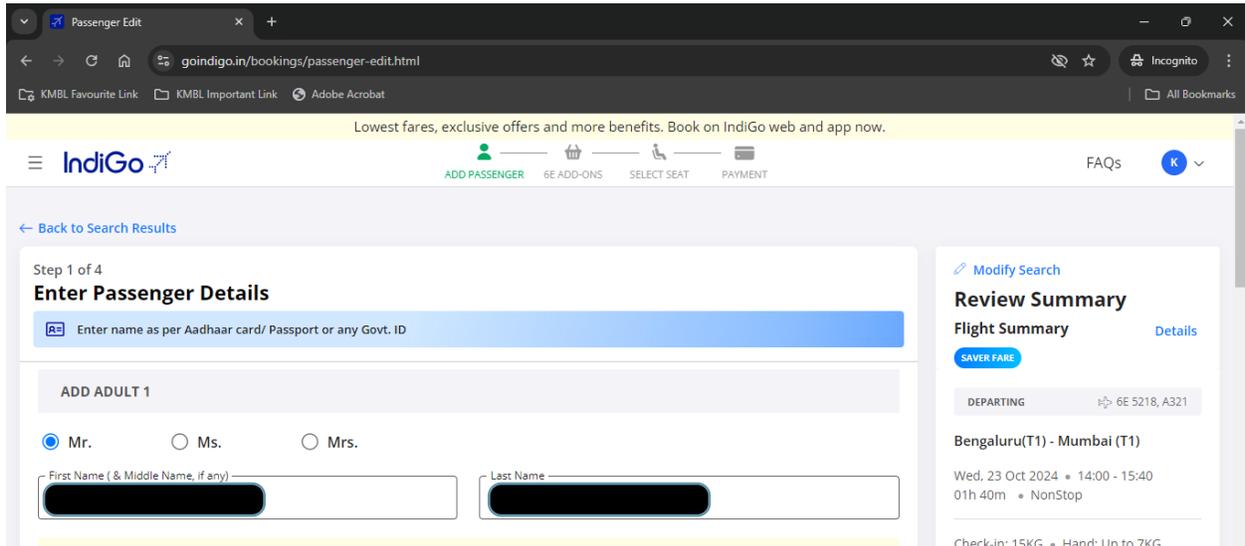

6. In the page that opens, head to 6E Rewards Dashboard. You will be able to view your total earned, redeemed and balance reward points in this page.

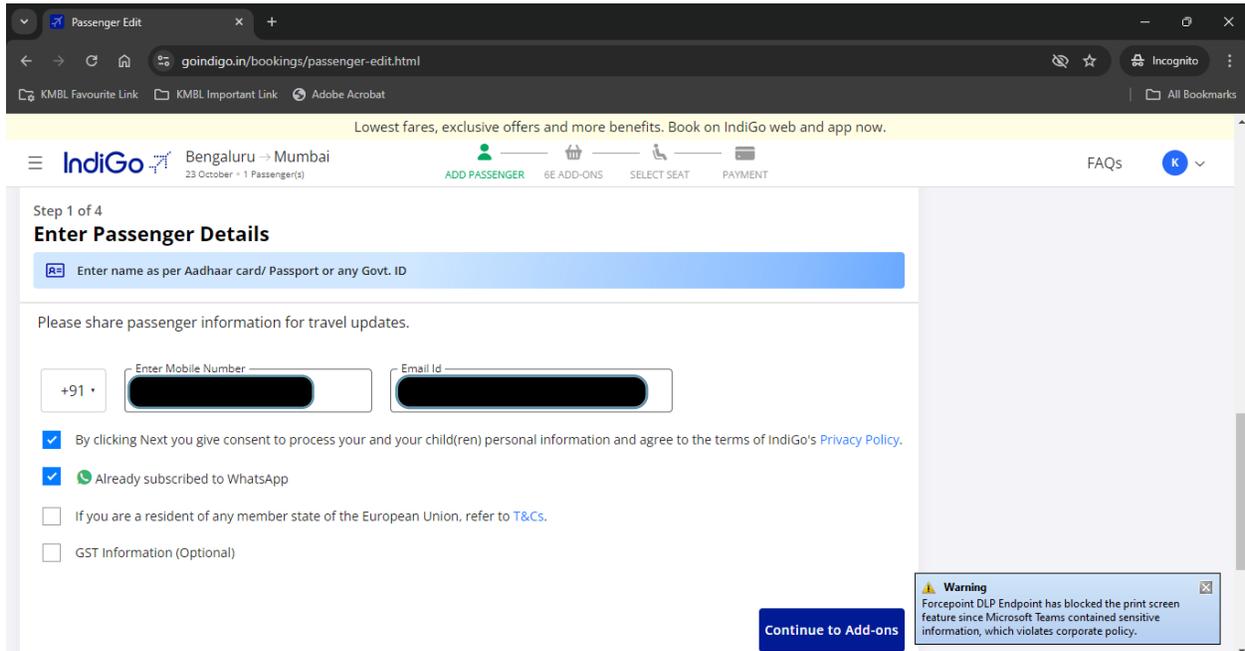

7. To redeem your reward points, click on redeem now, or just head to the homepage again. Initiate your booking journey by choosing the route and date of travel.

8. enter your personal details in the step and continue to add-ons.
